EVACUATION POLICY

In case of evacuation, an attempt to notify parents or emergency contacts will be made. All precautions will be taken to ensure the safety of the children.

Illness Policy

If a child is questionably ill prior to the start of school, the child should be kept home. He or she can return to school when their symptoms have resolved.

If your child is sick and will not attend school, please call PHCC and leave a message on the school phone, 410-529-8224, or contact the teacher directly (please leave a voicemail or a text message).

If your child becomes ill once school has begun PHCC will:

1. The teacher or a classroom helper will attempt to notify the parent/guardian. If they are not able to reach the parent/guardian, the emergency cards will be used to identify the person(s) to be called.

updated: March 2020

2. The ill child will be moved to a comfortable place away from the other children but not out of visual contact of the teacher or classroom helpers.

3. If the teacher feels that it is an emergent situation, Emergency Services will be called. Every effort will be made to reach the parent/guardian. If the parent/guardian is not available, the Emergency Cards will be used to call the designated back up emergency contact.
